We are excited you have chosen to trust CHES with your child this school year! Here are four ways you can help your child succeed:

- 1** Make sure your child is present, on time and prepared.
- 2** Check your child's weekly folder or agenda and monitor homework.
- 3** If your child is struggling and you do not feel like they are getting help, please contact your child's teacher.
- 4** Be a partner with us to support your child's education.
