Red Ribbon Week was developed in 1988 to promote an awareness of the dangers of alcohol and other drugs. This special week was developed to honor the memory of Enrique Camarena. During this week, we will have special activities to educate our students on the dangers of drugs and the importance of making positive choices. Let's stand together and show our school spirit. Please participate in the following school spirit activities for Chapel Hill Elementary School. Make sure to take a picture, and send it to your teacher.

Goal: To increase awareness of drugs and the effect on families, friends, and one's own body. Develop effective problem-solving and decision making skills to make safe and healthy choices.

EVENTS:

The Red Ribbon Week national theme for this year is **"Celebrate Life, Live Drug-free!!" October 24h- October 31st**
